

Helping you navigate to better health

Health Advocate, a service provided by your employer at no cost, can help you and your family navigate the healthcare system, improve mental health, better balance work and life, resolve healthcare and insurance issues, and get the right care at the right time.

How does Health Advocate help?

Navigating the Healthcare System

- **Get answers to your insurance and claims questions** and resolve billing issues
- **Find the right in-network doctors**, make appointments and transfer medical records
- **Make informed decisions about medical conditions** and diagnoses
- **Find and explore the latest treatment options** and arrange second opinions

Connecting to Emotional Support

- **Identify emotional and mental health issues** and find strategies to cope through support from an Employee Assistance Program Professional
- **Access more long-term help** from a qualified professional, if needed
- **Locate the right support resources** such as childcare, eldercare and more
- **Connect with specialists** for help with work/life balance, legal and financial issues
